Directions to the Exchange Dormitory

(Approximately 2.2 miles from the U.S./Mex Border)

Once you arrive in Douglas, continue East towards the Pan American Highway. Turn right (South) on to the Pan American Highway heading towards the Mexican Border. Follow the signs that will take you around the big Wal-Mart Store and to the customs checkpoint and port of entry into Mexico.

(Do not forget to confirm you have a green light when crossing the customs checkpoint! If you get a red light this means you need to pull over to your right where they will briefly search your vehicle. This is a normal procedure and is done randomly. Do not worry! Also, it often helps to mention that you are volunteers with Rancho Feliz.)

After you pass the border checkpoint make an immediate right turn on to Calle 1. Travel on this street (West) for about 0.4 miles until you come to a big dip in the road. Near the bottom of this dip is a street named Ave. H. Cortez. Turn left onto Ave. H. Cortez and drive South for 0.3 miles until you come to a street named Calle 6. (At this intersection of Ave. H. Cortez and Calle 6, there are three metal horse statues standing right where you turn right. There is also a Tecate Store on the S/W corner of this intersection.) Turn right on to Calle 6 and travel West. Stay on this street and you will cross over a bridge. A half a mile or so beyond the bridge the street will curve left and you will be traveling South again. Stay on this road a short distance until you pass Aqua Mundo (a big recreational water park on your right - you can't miss it!) After the water park you will come to an elevated railroad crossing. Just before the railroad crossing you turn left (East) on to Calle Guardian Warrior. (There is a big sign that says Asilo Casa Hogar La Divina Providencia.) This paved road runs parallel to the railroad tracks and on your left is a high-density subdivision. Stay on this road (Calle Guardian Warrior) until it ends (about a quarter of a mile) and then turn left on to Avenida Guardian Warrior. On your immediate right you will see a large wall and a gate with a guard house. This is the entrance to the Rancho Feliz, Exchange Dormitory.
